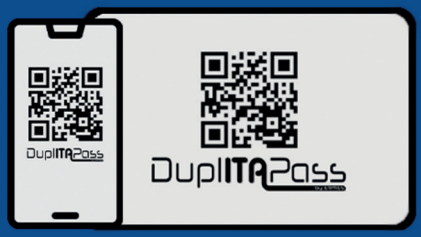
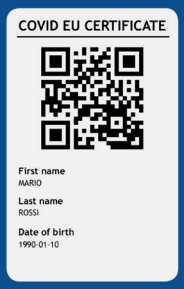
DuplITAPass

All-in-one solution for printing Green Pass on badges via Bluetooth device and badge printer!





Offer an innovative service to your customers:

The printing of the **Green Pass** on a PVC support like the credit card. The PVC cards, easy to store, are an ideal tool to have your Green Pass always at hand!

PRATICAL
Green Pass always at your fingertips thanks to the size of a credit card

DURABLE
Covid certificate does not crease, tear or damage easily

ACCESSIBLE
An easy-to-use solution for everyone
